Subject: Company Introduction/Pre-Qualification

Dear Sir/Madam,

I hope this message finds you well.

I am Firos Babu T, Managing Director of **Comtech System LLC**, and it is my pleasure to introduce our company to your esteemed organization.

Comtech System LLC is a specialized Systems Integrator offering complete turnkey solutions in **Security Systems, ELV Systems, ICT Infrastructure, Audio-Visual Solutions, and Home Automation**. We have built a strong reputation for delivering reliable, high-quality, and compliant solutions to a wide range of clients, including Government Entities, Developers, Consultants, Contractors, and Private Organizations across the UAE.

Our in-house team of qualified and certified engineers ensures end-to-end project execution — from design and engineering to installation, commissioning, and maintenance.

We hold key regulatory approvals and certifications, including:

- **SIRA (Security Industry Regulatory Agency)**
- **Sharjah Police CCTV Certified**
- **Umm Al Quwain CCTV Certified**
- Other relevant authority approvals as required
- **ISO Certification**

With our strong technical capability, regulatory compliance, and proven track record, **Comtech System LLC** stands as a dependable partner for all integrated technology and security system requirements.

We would be pleased to share details of our completed projects and look forward to the opportunity of working with your organization.

Thank you for your time and consideration.

Warm regards,

For Comtech System LLC

Firos Babu T

Managing Director / Authorized Signatory

A handwritten signature in blue ink, appearing to read "Firos Babu T", is written over a blue circular stamp.

COMPANY PROFILE

01 MISSION STATEMENT

Comtech System LLC is a specialized Systems Integrator dedicated to delivering comprehensive, end-to-end technology solutions across Government, Commercial, Industrial, Institutional, and Residential sectors. Our core expertise spans a wide range of disciplines, including:

- Security & Surveillance Systems (SIRA Approved)
- Low Voltage / ELV Systems
- ICT & Structured Communication Networks
- Audio-Visual Solutions
- IoT & Smart Building Automation
- Home & Hospitality Automation

We manage the complete lifecycle of every project we undertake—beginning with concept and design, progressing through procurement, engineering, installation, and culminating in testing, commissioning, and maintenance. This integrated approach ensures seamless delivery, quality assurance, and long-term performance sustainability.

Headquartered in Dubai, with operational branches in Sharjah and Umm Al Quwain, we provide full coverage across the UAE, and additionally support select projects within the GCC region and international markets where required.

Comtech System LLC is recognized for its strong project delivery capability, demonstrated through an extensive portfolio of completed works across:

- Government Agencies & Public Institutions
- Hospitality & Tourism Developments
- Educational Campuses & Schools
- Commercial & Industrial Infrastructure
- Residential and Smart Community Projects

Our commitment remains consistent to deliver technologically advanced, reliable, and value-driven solutions that enhance safety, efficiency, connectivity, and quality of life.

02 WHAT WE DO

Comtech System LLC is a specialized Systems Integrator delivering complete, end-to-end technology solutions to the Government, Commercial, Industrial, Hospitality, Educational, and Residential sectors.

Our expertise spans the design, supply, installation, testing & commissioning, and maintenance of advanced Security, ELV, ICT, Automation, and AV systems.

Headquartered in Dubai, with branch offices in Sharjah and Umm Al Quwain, we operate across the UAE and selectively undertake projects across the GCC region and beyond.

Our work is built on strong engineering capability, certified professionals, and partnerships

Our End-to-End Delivery Approach

We support the full lifecycle of every project:

**Concept → Design → Procurement → Engineering → Installation → Testing
Commissioning → Training → After-Sales Support & Annual Maintenance**

03 OUR SOLUTIONS & SERVICE PORTFOLIO

1. Physical Security Solutions

- Access Control & Identity Management
- CCTV Surveillance & Remote Monitoring
- Gate Barriers & Parking Management Systems
- Intruder Detection & Motion Sensing Systems
- Optical Turnstiles & Entrance Security Gates
- Public Address & Voice Evacuation Systems
- Vehicle Surveillance & ANPR Solutions
- Video Intercom & Door Communication Systems

2. Data Center & IT Infrastructure Solutions

- Data Migration & Infrastructure Modernization
- UPS & Power Backup Systems
- Virtualization & Server Consolidation
- Water Leak Detection & Protection Systems

3. Audio-Visual (AV) & Collaboration Solutions

- Integrated Audio-Video Conferencing Systems
- Digital Signage & Content Delivery Platforms
- Professional Projection & Display Systems
- Interactive Kiosk Information Desks
- Open Platform Video Management Systems
- Room Booking & Meeting Room Automation Systems
- Telepresence & Unified Communications
- Command Center Video Walls

4. Hospitality & Smart Living Solutions

- Hotel & Residential Access Control Systems
- Centralized Audio-Video Entertainment Systems
- CCTV & Security Monitoring Infrastructure
- Digital Signage for Guest Experience Enhancement
- Interactive IPTV & Smart Room Media
- Room & Home Automation (Lighting, Curtains, AC, Scenes, IoT)
